AT A GLANCE

PT. DIAN CIPTA PERKASA is one of the most reputable and sought after chemical companies in marketing and distribution of food ingredients, feed additives, pharmaceutical raw materials and chemicals to various manufacturing industries in Indonesia, South East Asia's biggest and robust economy.

PT. DIAN CIPTA PERKASA's rise from its humble beginnings in 1991 emerged as one of the most respected and strong organizations in the country for chemical distribution. PT. DIAN CIPTA PERKASA has successfully expanded to become one of the market leaders in full-line chemical distribution thus gaining the reputation as the "Premiere Solution Partner" in the industry.

Much of the growth nationwide has been enabled by selective acquisitions of representations in key growth industries. Industry coverage spans from the Food, Feed, Pharmaceuticals and the expansive Chemicals industries (paint, printing inks, resins, oil & gas, mining, construction, agro, personal care and other allied industries).

PT DIAN CIPTA PERKASA

VISION

To be the Preferred Premiere Partner in the industry for supply of high quality Raw Materials & Nutritional Products & Service.

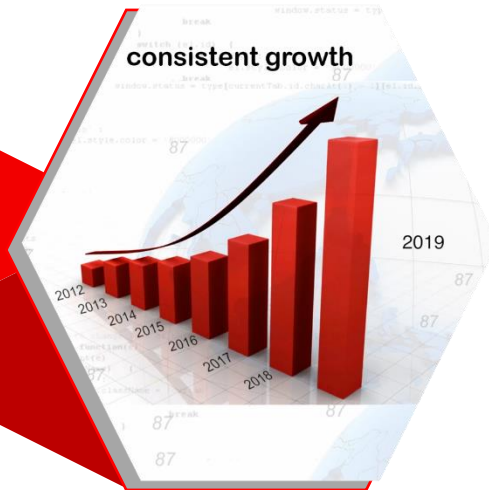

MISION

Responsive, Innovative and Progressive in fulfilling our Partners' needs.

OUR VALUE

Established reputation for maintaining long-standing customer relationships based on honoring our commitments, standby behind our transactions and providing professional services at its best to grow over the past decades.

Our "Second-to-None" quality products and service offerings speak of how We honor and highly value our partners.

Milestone

Since the beginning of its existence until today we always strive to be a trustworthy and reliable partner to our customer's integrity and quality of service lead us to gratifying statistical results. The archipelago that stretches from the northern side of Sumatra to Papua as far as 5,245 km, comprising 6 main islands out of around 17,000 islands, is a challenge to invest in the distribution business. In 1991, Mr Rudy Ismanto, the founder of PT Dian Cipta Perkasa started the business in distribution of raw materials for chemical industry and pharmaceutical industry which later became known as PT DIAN CIPTA PERKASA PT Dian Cipta Perkasa

Until today, PT Dian Cipta Perkasa has fostered distribution partnerships with companies from China, India, several European Union countries and the United States. High commitment to both the principals and its customers, has brought PT DIAN CIPTA PERKASA as one of the raw material distribution companies in Indonesia that is considerable, reliable and trusted.

With a vision to become the leading distributor of raw materials in its field and its mission to be always responsive, innovative and progressive, it makes Dian Cipta Perkasa the most prominent and most sought after company in the marketing and distribution of food ingredients, animal feed additives, pharmaceutical raw materials and chemicals for various manufacturing industries in Indonesia
